### Breaking News

- ⇒ **Re-Enrollment/Enrollment Forms** - Please pick up your forms at the September general meeting. Remember all old members must complete their re-enrollment form and have it turned in no later than the October general meeting. New members have until the November general meeting to complete and turn in their enrollment form. However, new members are welcome throughout the year to enroll but may not be able to participate in some animal projects if they enroll after the December 15th deadline. All enrollment/re-enrollment forms must be turned into your club general leader and she will turn them into the county. The county does not want to receive individual enrollment forms.

**When filling out your enrollment form please print neatly and make sure you have completed everything on the form. If you are making changes to a re-enrollment form do this in red ink. Lastly, make sure the behavior agreement has been read, signed by the member and is attached to each member's enrollment form.**

- ◆ **Dues** - Along with your enrollment forms 4-H dues need to be paid for the 2011-2012 4-H year. Regular member (3rd grade and up) dues are \$10 and Cloverbud (5K - 2nd grade) dues are \$7. Your dues need to be paid to our club treasurer Morgan. An additional \$5 is due if you want your club newsletter mailed, otherwise it will be e-mailed. If you are paying by check please make your check payable to **Thompson Irish Settlers**.

- ◆ **Activities Board** - Do we have a group of adults and youth leaders that would like to get together to brainstorm possible club activities? This group could come up with 2-4 ideas for future club activities and research the possible dates and expenses for these activities. Then the club as a whole can vote on the activities they would prefer and then select a date from the options available.
